

I didn't
think
much of
it

but

When I
was in
fifth
grade, my
parents
divorced.

I understood
that love
wasn't
something
that could
last forever.

At
that
time

They
got
along
so
well...

I didn't
think I
would ever
fall in love.

But I
was
fine
with
that

and before
I knew it,
I had
become an
adult.

From
then on, I
didn't
have any
interest
in love

Is it

all right
to come
here
starting
today?

That is,
until I met
that girl...

Sensei

Eh?

It was
my
second
year.

For this
student...

O-of
course,
I don't
mind.

You're
always
welcome.

...I
wonder if
there's
something
I'm able to
do

Even
though I
was very
passionate
about
teaching

it was a
time when I
experienced
much frustra-
tion with
it.

She was a
lively stu-
dent

Cheerful
and
friendly.

Like some-
one that
would be
constantly
surrounded
by other
students.

That's
why

it was only
natural some
students
would bully
her out of
jealousy...

Thank
you
very
much

Kaoru-
sensei!

If you
can do
this
much,
you don't
have to
be here.

No
way.

But
still,
you're
an
honor
student.

'Cause
I go to
cram
school.

You did
amazingly
well.

come here
just to
see you,
Kaoru-sensei.

...I was
glad.

What
are you
talking
about?

I never
considered
that I
would
enter her
heart.

I
love
you.

Sensei,
I'm
sorry.

Now
listen, we
teachers

are the only
adults in this
small school,
right?

That's why
I can see
you being
attracted to
one of us.

But
I still
love
you!

W-what
are you
saying?

I'm a
teach-
er...

Do you
hate me?

Am
I no
good?

Sensei...!
I...

As the world
opens up for you
from now on,
I'm sure you'll
understand.

Sensei...

I'm sorry

I'm a
teacher,
so I can't
respond to
your feelings.

I never
thought I
would see
her again.

She gradu-
ated without
seeing me
once after
that.

But it
happened
a few
years
later.

Sensei!

Kaoru-
sensei! It's
been a long
time!

It was
complete
chance
that we
ran into
each other
downtown.

looked so
happy.

She

I got
married
last year
to some-
one I got
to know
in college.

I'm
in my
sixth
month.

...

Sensei

what you
said back
then

I under-
stand
now.

It's all
thanks
to you
that I'm
happy.

Sensei

I'm
happy
now.

Once the
world
opened up
for me, I
met him.

As a
teacher,
as an
adult

I
wasn't
mis-
taken.

...I
thought

rejecting
her was
the right
thing to
do.

After all, she
was happy

It was
just
stupid
of me
to fall
in love
with
her.

I'm
sorry

it's
dis-
grace-
ful.

Sense!

...

...

...

That was
your first
love, right?

That's
not
true!

So I think
it's
amazing
that you
could love
someone
for that
long.

I-I fall
in love
easily.

...

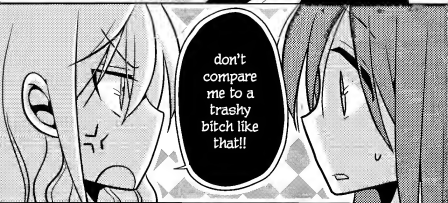

leechi
-80...

But

It was pure
and beau-
tiful.

I'm
jealous
of you.

don't
compare
me to a
trashy
bitch like
that!!

Even though I was dumped by you

I don't think that my feelings for you

are wrong or some kind of delusion.

Anyways, you said it was just a part of puberty or something, right!?

Don't associate that with me!

Ek...?

You know ...

I'm not going to imply that you were right or wrong!

Even after the world opens up like you say

I'm confident that I will still love Kaoru-sensei.

Sensei

After I graduate, go to college, find a job

These
feelings
are real.

I
love
her
a
lot.

I love
Fujimura
Kaoru

You
treated
me so
kindly.

Gave me
medicine
and
coffee

talked
to me,
treated
me as
an
equal.

I was
really,
really
happy.

Squeeze

So

That's it!
If I still
love you
by the
time I
graduate

that'll
prove
how
serious
I am,
right?

I will
wait
until
then!

On my grad-
uation day I'll
confess to
Kaoru-sensei
one more
time!

At
that
time

student or
teacher won't
matter, so
please tell me
your true
feelings!

It's
almost
time
for the
first
train.

Hate to
interrupt
your
flirting
but

Eh?

Eh?
Wait a
minute,
Sensei~

L-let's go,
Isechi-san!!

Sensei
you're
going
too
fast!

This isn't
a dream,
is it...?

...No
way...

heh

Can I
still
come to
the infir-
mary?

Hey,
Sensei

You're
always
welcome.
